July 2010

To Parents of Lower Fifth and Fourth Form Pupils

PLEASE RETAIN THIS LETTER FOR FUTURE REFERENCE

Dear Parents

GCSE Modules Results Day

I am writing to explain the arrangements for the dispatch of GCSE module results. These will be available at School on **Tuesday 24 August**. They will be available for collection personally by the candidate at **10.30 am** in the Bushell Hall.

If your son/daughter is unable to collect his/her results in person and you would like someone to collect them on his/her behalf, we do require your authorisation in writing to the Examinations Officer, Mr Paul Jackson. Please note that any module results not collected will remain in school until your son/daughter is able to collect them when term begins on Thursday 2 September.

I hope that all goes well and that your son/daughter gets the results he/she deserves.

Yours sincerely
