To Parents of all Third Form Pupils

Dear Parents

Language Choices for the Shell Forms in 2010-11

Next year in the Shell Forms all pupils will continue to study French. In addition your son/daughter will take **two** further languages, from a choice of German, Latin and Spanish. This process will be explained to your child in a meeting to be held on Wednesday this week. The Heads of Classics, German and Spanish will all be speaking to the pupils about the content of the Shell Form course at this time.

I would like to clarify the following:

- Although the choice is made at this stage, a change can be made later. There is normally considerable flexibility, but if a change is requested later in the year, we cannot absolutely guarantee that this request can be met.
- This choice will not affect which teaching group your child is in next year.
- Your child will have the opportunity to carry both of the chosen languages forward to GCSE, but if he/she drops Latin it will not be possible to pick this up again later.

I would be grateful if you could complete the form attached by putting a tick in **two** of the boxes to indicate which two languages are to be studied next year. If you are unsure about the choice, please feel free to consult with your child's Form Tutor. The completed form should be returned **to the Form Tutor by Friday 26 February** at the latest.

Yours sincerely

Mrs L D J Hughes
Head of the Lower School
