

Solihull School

Solihull School Examinations Summer 2011

Year 9 Maths Revision

- You will sit two examination papers, one calculator and one non-calculator and both one hour long. All classes take the same papers.
- Topics that will be tested are from **Units 2 – 15 (excluding Units 12 and 14)** in your text book

Some useful tips:

- You can revise from the maths website. Use the extra exercises link:
<http://www.cimt.plymouth.ac.uk/projects/mepres/book9/book9.htm>.
These exercises have answers.
- You could also use the interactive exercises from Year 7 and Year 8
<http://www.cimt.plymouth.ac.uk/projects/mepres/book7/book7int.htm>
<http://www.cimt.plymouth.ac.uk/projects/mepres/book8/book8int.htm>

These could be very helpful, particularly the algebra and arithmetic units.

- Make a list of topics that you feel you need to revise in detail
- Use the maths website, your exercise books and text books at home
- Ask your teacher if you are unsure about something
- Go to Maths Clinic if you need extra help

Mr. M. R. Bishop
