

Year 9 Physics Revision

The following is a link to the specification. Please remember that only sections 11.1 to 11.4 (inclusive) are tested in this exam. These are on page 33 to page 36.

The following is a link to 'Past Papers' and 'Mark Schemes'. Please remember that you are studying Physics P1a (Energy and Electricity) Higher Tier

Just follow the tab 'Question Papers and Mark Schemes' and select the year you wish to attempt.

At this point it is usual to provide hundreds of links to some quite useless sites; however this one is useful if you wish to revise 'Energy'. You have used it before.

There really is no substitute for hard graft through past papers but if you want a little diversion the 'BBC Bitesize' site can provide that.
