

Dear Parents,

In June 2006, the school Saxophone Group decided to record and release a *debut* album before many of the group left for higher education.

This album comprises many pieces that hopefully show what a truly versatile instrument the saxophone is. *Saxophony* as they are now known, recorded 13 tracks over 2 days in professional recording studios near Birmingham. It promised to be a unique experience as some of the pieces have never been recorded in this arrangement of just Saxes.

The group's repertoire ranges from calming to exciting new music including *La Bamba*, *Over the Rainbow*, *Pachelbel's Canon* and many more! For more information on the album, with links to full versions of *La Bamba* and *Over the Rainbow*, simple click on www.winsax.co.uk.

Copies of our CD are currently **on offer** at just £9.99. If you would like to order your *perfect souvenir* of the sounds of Solihull School, fill in the order form below, and drop it back to school.

Yours Sincerely,

Miss Christa Greswold
