Speaking:

This will take place in lesson time during the week beginning 24th May. You will have to do a **presentation** on the topic of "meine Freizeit" lasting one minute. This must be from memory but you are allowed to have a small cue card of not more than 25 words to help you. You will then **answer 5** questions which will be taken from the list of 10 questions in this booklet. It's a good idea to try to expand your answers and give opinions when answering the questions – extra marks will be given for expansion, pronunciation and accuracy!

Listening:

This lasts approximately ½ hour and will be conducted during the exam week after half term.

Reading:

This is a ½ hour exam during the exam week after half term.

Writing:

This is also a ½ hour exam during the exam week. You will be writing answers based on topics we have covered this year.
