## **FIRE ORDERS 2023-2024 – WARWICK ROAD CAMPUS**

### **GENERAL INSTRUCTIONS**

1. Any member of the school community discovering a fire should sound the fire alarm and report to the Site Fire Officer or Fire Control Officer on The Level. The Site Fire Officer will decide whether to call the Fire Brigade. If it is clear to a member of staff that the Fire Brigade should be called immediately, they should do so and subsequently inform the Site Fire Officer.
2. **The school will assemble on The Level** and form tutors should check their form and report to the Heads of Section who should in turn report to the Fire Control Officer. The list of staff off the premises, a school roll and the list of pupils who arrived late/left the school site should be collected from Reception by the Fire Control Officer. The School Nurses should inform Form Tutors of any pupils sent home due to illness. If any form tutor is absent, the senior member of staff from the relevant section of the school should take over the duty of checking and reporting.
3. The Maintenance Team should direct the Fire Brigade appropriately when they arrive.
4. Pupils and staff should walk, not run, to the assembly points. Persons requiring assistance should be helped from a building by trained staff. No one should leave the site during an evacuation.
5. Full evacuation procedures are contained within the Fire Safety Policy.

### **SPECIFIC INSTRUCTIONS**

1. **If a fire alarm is sounded during school hours (8.45am – 4.30pm):**

Once the fire assembly is dismissed, any pupil who has not been registered or who has not signed in must do so in Reception.
  - e) If the alarm is sounded during break or lunchtime, staff on duty should ensure that their duty area has been evacuated and report the status of those areas to the Fire Control Officer.

2. **If a fire alarm is sounded out of school hours:**
  - a) Between 7.30am and 8.45am and between 4.30pm and 6.00pm, the teacher in charge of the activity in which pupils are involved should supervise their evacuation to a place of safety and call the Fire Brigade if required.
